### EARLY FIRST DAY COVERS

(Item 1 illustrated opposite)

- 1 **FIRST DAY OF UNIFORM PENNY POST** On **10 January 1840**, the PENNY POST was introduced, however, the stamps and printed envelopes were not yet available. The unstamped Penny Post was in existence for nearly 4 months. At the same time it was possible to pay a 2d Rate based on weight. This entire is from **LEEDS** to the **CONGRESSIONAL LIBRARY LONDON**. It has a superb backstamp LEEDS JA 10 8 -04 i.e. mixed up, the 1 and 8 were transposed and the 1 slug is missing. The 0 and 4 are also transposed. To add to the appeal of this item it has **PAID LEEDS** in oval on the front as well as a Tombstone C PAID 11 JA 1840 both in Red and **GOMERSAL PENNYPOST** in Black (a little indistinct). In addition, it has superb handwritten and lengthy contents separately dated 10 January 1840. This all adds up to an exceptional **FIRST DAY** item and a must for the serious early QV collector. **SOLD**
- 2 **6 May 1840** – Good wrapper with original contents the inside having been repaired for protection. Clear manuscript Paid 1d and two Red date cancels, one being **MY 6 1840**, the other, an overstrike Tombstone which is slightly unclear as slightly smudged but almost certainly MY 6 1840 as well. Addressed locally to Baker Street Portman Square (London). Pity it does not have a 1d Black! **£500**

### MULREADY (Items 2 & 3 illustrated inside back cover)

- 3 **1d Mulready Letter Sheet. Advertisement Mirror of Parliament Stereo A55 17 MAY 1841.** Good example, could be improved by careful removal of “elderly” mounts marks. Stereo slightly incomplete but good advert and London MX and 17 MAY 1841 to Tunbridge Wells, red MY 18 1841 receipt cancel. **£500**

**FORGERY**

- 201 **1840 1d Black** lettered AA. Although a fairly obvious forgery this is actually very cleverly done. It could well contain at least one original 1d Black! Not easy at all to tell how it has been produced. **SOLD**  
202 **1840 1d Black Plate 9** lettered HH-HI Pair. Known as the “Photographic Forgery”. Quite cleverly done and then stuck to a “contemporary” tiny piece. **SOLD**  
203 **1840 1d Black VR**. Supposedly an easy stamp to forge by removing the “stars” in the top corner squares and then inserting the V and R, leaving the normal letterings in the bottom squares. This forger did not know that and changed the bottom letter squares to stars obliterating the true letters! **£30**  
204 **1841 2d Blue Plate 3**. A highly unusual formerly imperf with forged perforations using OA/OB. **SOLD**  
205 **1912 2½d GV**. UM. Lithographed on un-watermarked paper, rough perf 11 by unknown perpetrator. **£40**  
206 **1920’s 4d GV**. Unmounted Mint example of this interesting postal forgery with genuine example. **£40**  
207 **1937 ½d GVI Dark Colours** Unusual forgery of Propaganda forgery “**Liquidation of Empire**” **Bahrain**. **£30**  
208 **1965 3d P.O T**. Apparently known as Maryland Forgery of the “**Missing Post Office Tower**” variety. **SOLD**
