Smith Elder & Co "S" in Concentric Circles

This is an interesting firm of British publishers who were allowed to use this somewhat experimental type cancellation. From 1841 they published The London and Edinburgh Magazine, and from 1859 Cornhill Magazine. However, their first major success was the publication of Charlotte Bronte's Jane Eyre in 1847 under the pseudonym of "Curren Bell". Other major authors included Robert Browning, Elizabeth Gaskell, Thomas Hardy, John Ruskin, Alfred Tennyson and George Gissing.
